**Note: DO NOT go to Nelson Hospital – we are as below.**

### ***From the Nelson/Richmond direction:***

Drive along SH6 right through Richmond. Go straight over the Three Brothers (Appleby) roundabout and continue past the Caltex garage on your right towards Brightwater. Pass Ranzau Road and past the 80kph sign. The next crossroad is Aniseed Valley Road on your left and Edens Road on your right (same junction). About 100m past that junction, we are on your right at number 446.

### ***From the Brightwater/Wakefield direction:***

Drive along SH6 from Brightwater and cross the bridge then travel up the hill. About 1km along SH6 you will see the 'Big Plant Depot' on your left and 446 is about 500m further on - about 100m BEFORE the Edens Road corner.
